# Engraved Anodized Aluminum Valve Tags

### Product Description:

Aluminum valve tags and nameplates offer a variety of colors and sizes to identify equipment & valves.

### Material:

Anodized Aluminum is matte finished natural or colored surface. The coloring becomes part of the aluminum surface, and resists further oxidation.

### Application:

Nameplates are provided with mounting holes or adhesive backing or both. Valve Tags provided with mounting holes.

### Physical Characteristics:

Standard 1/32" thick for engraving on one side.

### Dimensional Information:

Valve Tags are available in round or square 1 1/2", 2" or 3" sizes.

### Durability:

Indoor - Indefinite  
Outdoor - 2-3 years
