Standard Available Colors

* Green/White 1/16" Only * Green/Yellow 1/16" Only

To Order Engraved Plastic Valve Tags:

Specify part number, background color, letter color, letter size, wording to be engraved & quantity of tags. Standard layout is 1/4" top line and 1/2" bottom line.

Please indicate if different character sizes are required. OK to combine for best pricing.

Please provide valve tag list in either a Microsoft Excel or Word file for accuracy.

Brimar will be happy to size your valve tags. To size valve tags we need to know character size and a list showing what is to be engraved. Call for pricing on custom sizes, custom colors and larger quantities.

No Set-Up CHARGES

LASER ETCHED VALVE TAGS

- Rust Resistant Anodized Aluminum
- Colored On Both Sides
- .032" Thick Material
- Break, Stain, Chip And Shatter Proof Material

- .032" Brass & Stainless Steel Surface Etched
- 1 Hole on Each Valve Tag
- Ideal For Areas That Are Washed Down Frequently or on Apparatus That Have a High Surface Temperature
- Durability of 10 Years

Laser Etched Anodized Aluminum

tags will last longer in almost any environment. Brimar uses .032 Anodized Aluminum to create a neat, sharp contrast against the background color. There is no color fill on these plates or tags, the character color is natural aluminum. The illustration below gives a close representation of the actual colors. Call for pricing if copy or color requirements are different, or if other options are required.

Anodized Aluminum
